

# You're INVITED!

Join us for “Employers in the Know 2018” business seminar. This empowering crash course is an opportunity to learn about new and amended labor law regulations and legislation that affect your business in 2018 while helping to ensure compliance and profitable ventures. This annual event provides an opportunity to meet and hear from Commissioner of Labor, Mark Butler, as he shares valuable information on current Georgia Department of Labor (GDOL) initiatives and programs. Learn about what Georgia is doing to encourage job growth and economic development.

Our expert Labor Law attorneys will provide important information to plan your policies and actions during this complex legal and regulatory environment facing all businesses in 2018. This year there will be a panel of experts’ discussion on FMLA, Workers’ Compensation, Unemployment Insurance and more.

This program has been approved for 5.0 SHRM-CP or SHRM-SCP professional development credits (PDCs) for the Society of Human Resource Professionals.
